ARE YOU CURIOUS?

The History of Place delivery team are looking for volunteers with enquiring minds. You could help us with a ground-breaking national project which will celebrate the lives of deaf & disabled people through history. Come and join our London Volunteer Research and Archive Group as part of this Heritage Lottery Funded project.

Delve into the stories about Chiswick House Asylum, St Saviour's Deaf Church or Normansfield Hospital and Theatre. Come as a novice or an expert to join the team at the London Metropolitan Archive on **Tuesday 7th June - register to secure your place!**

Einstein once said, "I have no special talents, I am only passionately curious."

Your discoveries will be shared through our website, films, games and exhibitions at M Shed, Museum of Liverpool and the V&A. We welcome applications from deaf and disabled people.

If you have a bit of spare time and are interested in doing some detective work, learning about archives, recording oral histories or creative writing please call us on 01303 259777, email us at info@accentuateuk.org OR visit our website and register <http://historyof.place>

Thank you!
